

INTERNSHIP OPPORTUNITY IN COMMUNICATION

ABOUT THE IMPACT HOUSE

The Impact House is a dynamic hub dedicated to **changemakers**, people eager to tackle **pressing social and environmental challenges through entrepreneurship**. It's a meeting point for everyone who dares to question the status quo and pursues a durable societal impact. In the Impact House social entrepreneurs, supporting organizations, impact investors, inclusive corporates and civil society come together. It's a place where people are inspired, new collaborations grow and innovative solutions are co-created. It's a small but ambitious co-working, meeting and event space with positive societal impact at its core.

MAIN TASKS

You will assist the **Office&Events Manager** with the exploitation of the Impact House. Your main tasks will include the following:

- **Management of Impact House communications** (create content for newsletters, event pages and social media posts, update the website, assess performance of communication channels and propose optimizations, searching for ways to promote the Impact House brand)
- Help with the organization of **events** to promote the Impact House
- Support in creating a vibrant Impact House community
- Assistance in the day-to-day **management of the House**

YOUR PROFILE

We're looking for someone who:

- Is recently graduated in communication management
- Has good communication skills in Dutch, French and English
- Is a team player but can also work autonomously
- Is creative and like to create content
- Hands-on mentality and result-driven
- Open mindset and strong interpersonal and cooperative skills
- Is curious about the world of impact investing and social entrepreneurship

OUR OFFER

- **6 to 9 months part-time paid internship** (contrat d'immersion professionnelle) starting from January 2022
- An environment where we embrace responsibility and initiative
- Gain hands-on experience and broaden your network in the Belgian social entrepreneurship scene
